

NATIONAL DAY THANKSGIVING SERVICE 2018

The National Day Thanksgiving Service was first held in 2004 and since then, it has been an annual event organized by the National Council of Churches of Singapore (NCCS) to coincide with our National Day celebrations. Usually held a week after National Day, Christians from different churches and denominations, coming from all walks of life congregate at St Andrew's Cathedral's New Sanctuary for this special occasion. The service of thanksgiving includes prayers for the country's continued wellbeing as well as for regional peace and harmony.

Each year, various churches take turns to participate by providing choir anthems and musical items. The sermon usually exhorts worshippers to grow in Christian witness and social responsibility and to make our contributions to nation building. Held at the historic venue of St Andrew's Cathedral, the service is followed by a reception and fellowship when the body of Christ can mingle and encourage each other in the faith.

We welcome all to join us in this special time of worship:
