

THE CORNERSTONE STORY

It was in 1989 that Pastor Yang Tuck Yoong and his wife, Daphne, together with a small band of young pioneers, sensed what they knew to be leadings from the Holy Spirit to start a new congregation. A year later, by faith, they emerged from Marine Parade Christian Centre to start Bedok Christian Centre, an extension church under the umbrella of the Diocese of Singapore.

Cornerstone Katong Clean

On 1 January, 1994, under the leading of the Holy Spirit, we changed our name to Cornerstone Community Church to better reflect the growing diversity and ministry of the congregation. Then in June 1995, to further facilitate our spiritual calling, Cornerstone became an Independent Charismatic Church and began a new chapter in our journey. In July 2000, we became officially-affiliated with Zion Ministerial Fellowship Inc. – a ministerial fellowship based in Waverly, New York, led by the late Dr. Brian Bailey, that would eventually play a huge role in Cornerstone.

Cornerstone Community Church has since grown to about 6,000 attendees, comprising 9 different congregations meeting over 20 times a week at different locations. We currently have 7 services in English each weekend, and multiple language services which include our Mandarin, Filipino, Bahasa Indonesian, Myanmar, Tamil and African congregations, as well as a dynamic Children's Church.

Cornerstone Service

A missions-focused church, we maintain an extensive Cornerstone Global Network (CGN) in 23 nations to-date. The CGN is a spiritual family of ministers, churches, bible schools, orphanages, and schools around the globe, organised with a common vision to see the Kingdom of God established.

In 2012, we had the privilege of redeeming the iconic [Bible College of Wales](#) (BCW) and also the [Pisgah Chapel](#) in Swansea, Wales. The BCW was established by well-known intercessor, Mr. Rees Howells, in 1927 and inaugurated again in 2015.

Cornerstone is a unique church and we believe God has called us to be a plumbline and a prophetic voice to the nations. We continue to walk in our God-given mandate to be a missions-focused church and to make disciples of all nations.

Cornerstone Community Church is located at 11 East Coast Road, The Odeon Katong, #03-01/02 Singapore 428722. For more info on our weekly service timings and locations, visit www.csc.org.sg
