Word of Life Family Centre (WOL) was registered on 8 December 2012. Currently, WOL runs a Myanmar-language worship service in the premises of the Lutheran Church of Our Redeemer. The weekly attendance is around 50 people.

Pastor Marip La Aung (Joshua) has been pastoring the church since its inception. Pastor La Aung came to Singapore from Myanmar in 2007. Now a Singapore citizen, he resides in Singapore with his wife, Emily, and two daughters, Sarah and Rachel. His desire is to serve the needs of the Myanmar-speaking Christian community in Singapore for the long-term benefit of society.

Pastor La Aung is assisted by a leadership team that is made up of nominated committee members.

Vision: Building Families, Building Lives

Given the large numbers of Myanmar-speaking believers in Singapore, WOL desires to establish a place of worship for them as and to provide an avenue for mutual support. Word of Life Family Centre (WOL) is committed to build up a strong and loving family of Christian believers, to encourage a lifestyle of worship and to mobilize Christian believers in prayer. WOL believes in the Bible as the inspired and infallible Word of God.

2 Timothy 3:16-17

“All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work.”

WOL strongly urged our members to be part of weekly bible studies, attend life groups hosted by members in homes and prayer meetings regularly. The aim is to mold and conform our characters to the character of Jesus Christ. As our members grow in their faith, we also encourage them to be baptized.

Pray Singapore

The leadership of Word of Life Family Centre has always understood and emphasized love for God expressed in our love for the nation of Singapore. We wanted to join NCCS as we want to identify more closely with the larger Body of Christ here in Singapore.
