Address: 114 Serangoon Avenue 3, Singapore 556110

Gatherings: 8.30am, 10.45am, 2pm

### **Our Vision**

A transformed people gathered to King Jesus

This is Bukit Arang's vision. It is aligned with God's big vision as revealed in the bible: God wants to unite all things in and under King Jesus (Ephesians 1:10). To this end, he has chosen people in Jesus, redeemed them through Jesus' sacrifice and sealed them with the Holy Spirit (Ephesians 1:3-14). The church, essentially a gathering of King Jesus' people, is the visible evidence that God is executing his vision.

In the new creation, God's vision will be fully realised (Revelation 22:3): A transformed people, saved by King Jesus' sacrifice, gather around the throne where He sits and worships him.

Everything Bukit Arang does is aimed at realising this vision.

### **Our Mission**

Moving people toward King Jesus

This is what Bukit Arang does. This is how the vision of a transformed people gathered to Jesus will be achieved: It is by moving people toward King Jesus. We want to move people who are new to Christianity toward Jesus.

We desire for them to be part of King Jesus' gathered people as they are redeemed by him. We also want to move Christians toward Jesus. We desire for them to be transformed as they live as King Jesus' gathered people now and look forward to his return to fully realise God's vision.

### **Our Sunday Gatherings**

Every Sunday we gather to listen to the Word, sing praises to God and talk to him in prayer to help one another move towards King Jesus.

Our three Sunday English gatherings (8.30am, 10.45am, 2pm) and one Sunday Mandarin Gathering (9am) bring people from all different backgrounds and stages in life. Our gatherings are centred around expository bible teaching and includes singing the Word with both traditional hymns and contemporary songs. Everyone is welcome!
