

Covenant Vision is set out to build “a radically transformed community engaging our world to establish the Kingdom of God”. We believe that the mark of a true believer is to “love as Jesus loves”. Which is why the mission of Covenant Vision is “to equip, enhance and empower believers to fulfil their Godly potential as Word-based, Spirit-led and Faith-filled disciples of Jesus Christ.

Covenant Vision holds 3 services weekly: Youth Service, English Service and Mandarin Service. Our Firestarters children’s ministry is held concurrently with our English Service.

Our community engagement activities include a Mooncake Outreach service catered to our Mandarin-speaking pre-believers, as well as Christmas Outreach.

Covenant Vision also actively partners with churches and para-churches to host events that edify the body of Christ as well. Recently in 2022 we partnered with 3:16 church to host the Faith & Sexuality Forum 2022, where attendees learned the perspective of pre-believers with same-sex attraction, and during Q&A they were given the opportunity to ask anything they wanted to about the subject of LGBTQ.

We also hosted The Encounter's Worship Summit saturaTE, where more than 150 youths and young adults came to bask and dwell in the presence of God and worship Him. The altar calls saw even the aisles filled with worshippers on their knees; surrendering to Him. It was indeed a worship space where the presence of the Lord was so strong and many encountered Him.

We welcome you to visit us and experience what God has to offer. We are located at 5 Little Road, #01-01 Singapore 536983, just a 5-min walk from Tai Seng MRT. More information about us can be found on our website at <https://www.covenantvisionchurch.org/>.
