Dear Mufti Dr Nazirudin Mohd Nasir

Selamat Hari Raya Aidilfitri!

The National Council of Churches of Singapore and the Christian community send its warmest wishes to you and all Muslims in Singapore as you celebrate the end of Ramadan.

As the spiritual journey brings renewal to the life of faith, we also celebrate with you the blessings of the deepening of family ties and the bonding of the Muslim community.

The NCCS is grateful for the longstanding friendship between our Muslim and Christian communities as we continue to contribute collectively to the stability and wellbeing of the larger Singapore society. We look forward to more collaborative efforts to bring peace and goodwill both at home as well as beyond our shores in this increasingly troubled world that we live in.

Yours Sincerely,

Bishop Lu Guan Hoe
President
National Council of Churches of Singapore

Rev Dr Ngoei Foong Nghian
