As part of our 50th Anniversary Celebrations, the National Council of Churches of Singapore is proud to raise awareness and funds for two remarkable charities selected by our General Committee members. They are the Ethos Institute for Public Christianity and New Life Stories.

**ETHOS Institute™** seeks to serve church and society by engaging contemporary issues and trends from the Christian perspective. ETHOS Institute™ offers:

- Studies on important topics and public issues from the Christian perspective
- Regular lectures, seminars, conferences and symposiums for the Christian public
- Resources to Churches and Christians in different professions and vocations
- Resources to the National Council of Churches of Singapore

**New Life Stories (NLS)** supports children with incarcerated parents, the incarcerated and their families with the aim to:

- Prevent intergenerational incarceration
- Reduce reoffending
- Improve quality of life
- Increase community inclusiveness for families

We hope local Christian churches, organisations and individuals will give generously to these two charities. All funds raised will be equally divided between the two charities.
