

LHE JOURNEY: A STORY OF HOPE

It all started with a few brothers gathering for an hour of praise, worship, and prayer for one another. Then we will proceed for lunch fellowship. This became a weekly fellowship, and more people joined in. We met in different places and eventually settled down in a motor workshop in Ang Mo Kio for a few months.

A miracle took place in May 2019 when a brother in Christ offered his office in Toa Payoh North to Pastor Richard to start a new ministry. Hallelujah and glory to God our heavenly father. He had already paid the rent up front for a year. With a grateful heart, this place became our new meeting place.

The journey with God had started. We proceeded with the registration for a Society with the help of a Christian lawyer fully assisting us and doing it for the love of God.

We settled with the name “Living Hope Evangelism”. A healing service started in June 2019, Wednesday morning 11 AM became our weekly healing service. Many came with needs to be met by our good Lord.

Our faith honored God and many receive physical miracle healings:

1. Sister Irene tan came for LHE healing ministry and was healed of a leg cramp
2. Sister Tracy Lee was healed of severe hip pain
3. Sister Lily Ng was healed of pain in her spine
4. Brother Floyd healed of his knee problem he suffered 35 years ago
5. Sister Mei Hwa received a miracle healing of the disappearance of a lump on her right breast
6. Sister Jane Ng testified of a miracle reversal of her bone density degeneration
7. Brother Tady received healing of his knees' pain

Many testified of God's miracle healings and provisions in LHE healing services. All glory be unto our faithful heavenly father. Amen

A few brothers and sisters contributed some finances for the renovation of our worship hall which could take about 70 people. We dedicated the place of worship to our faithful God in August 2019. The attendance was overwhelming

LHE healing service was changed to Saturday weekly at 4:00 PM. Pastor Richard left for holiday in USA to visit his daughter's family for three months . LHE was placed under the care of the committee. Pastor Don from “The New Charis Mission” came in to assist for three months

The COVID-19 pandemic hit the whole world in 2020. All churches shut down their doors and had to turn to Zoom for their services. it was a very tough time for LHE too. We needed to learn and turn to technology for our services. Thanks be to our faithful God for bringing us through the pandemic crisis. We followed the protocol of MCCY and was able to conduct hybrid services on

site and live (50 in attendance) God was faithful for he rides LHE through the crisis. We learnt that “crisis” is where “Christ is”

Our good Lord entrusted LHE with the stewardship of another premise in Woodlands Link to worship His Majesty. we renovated it and let other churches use it. Praise God for His provisions

LHE found a bigger place in Ubi tech park to worship our Lord and move in on April 2022. We took over from a church who was moving on to a bigger place. From one service to four services, with the anointing of the Holy Spirit our congregation increased from 40 to 150 weekly God is working a miracle in his Kingdom! Hallelujah!

LHE was preparing to glorify God for all his faithfulness and blessings upon LHE. We planned to honor the Lord God by celebrating our 3rd anniversary on 21st August 2022. We are blessed to have many like-minded brothers and sisters.

God has opened a door of opportunity for LHE to reach out to touch lives in the different constituencies since 2020. We distributed food stuffs to needy residents staying in rental flats in a Toa Payoh. And organize outings to ‘Garden by the Bay’ for 120 residents in McPherson and Aljunied. And host residents from a few constituencies to lichee and dinners at restaurants and invited them to LHE for Parents’ Day; Christmas and CNY celebrations, SG60 celebrations and our Anniversary. God has provided generous sponsors who love to bless the residents. All glory to God. “
