## OneForJesus – Every Believer A Witness

When the Lord asked, “What if every Christian could bring just one person to Jesus in the next 10 years?”, the vision of OneForJesus was born. OneForJesus is a national evangelism movement to activate and mobilize every Christian in every sphere and segment in Singapore to share the Gospel and bring at least one pre-believer to Jesus within 10 years. Since launching OFJ in December 2021, we’ve seen over 1,400 believers from 130+ churches catch the fire of evangelism through gatherings such as Fan the Fire, Evangelism Festival (*OFJ is part of the Evangelism Taskforce that organized it*), and marketplace mobilizations. Seniors, youths, and marketplace leaders alike are stepping out with renewed courage and confidence to share Christ where they are.

### Key Highlights of OneForJesus activities in 2025:

#### 1. Fan the Fire 2025

On August 2<sup>nd</sup>, OFJ partnered with local church, Fairfield Methodist, to organize the Fan the Fire Conference for 450 Christians from more than 30 churches. The seniors Christian band, Jolly Jammers, from Emmanuel Assembly of God, opened with praise and worship using sing-along of secular oldies combined with gospel songs for outreach and worship. Jason Wong, Founder of OFJ, shared the heart of evangelism, followed by the five keys of Evangelism 2.0. Many brothers and sisters were fired up and deeply inspired to share the Gospel to pre-believing friends and colleagues where God has placed them strategically as we presented many powerful testimonies of everyday Christians living out evangelism as their lifestyles.

#### 2. Evangelism Festival 2025

On May 14<sup>th</sup>, over 400 pastors and leaders came from 100 churches to share and learn from one another in this inaugural Evangelism Festival (EFest) which was organized by the Love Singapore's Evangelism Taskforce which OFJ is a part of. Jason represented OFJ to anchor a panel of speakers to share the four narratives of witnessing “As One for the one.” OFJ also anchored the afternoon workshops on Seniors Outreach. This EFest acts as a model and template to ignite Christians’ passion for evangelism, towards fulfilling the Great Commission. The vision is for regional groupings of churches to organize local level EFests for their congregations so

that the fire of revival will cascade down from pastors/church leaders to all church members. The OFJ team is ready to support any such efforts from 2026 onwards, like what we did in partnership with Fairfield Methodist Church in August 2025.

### 3. Marketplace Network Leaders Gathering

On January 22<sup>nd</sup>, we had a full house of 50 senior leaders from the marketplace network gathered at Father's House, our basecamp for Kingdom movements. We had a powerful line up of speakers: Jason (OFJ), Linda (Global Business Network), Tim Wong (SG500), Sherman (Gatekeepers), Amos (Campus Crusade for Christ), Edric (Salt&Light), and Lucy (Business As Missions). We met to discuss how to reach the lost, and to redeem their businesses and industries for His Kingdom. Many leaders were inspired to step up to do more together as One Ecclesia to witness for Christ in the marketplace.

### 4. Marketplace Directory Project

A kingdom project to build a national directory to empower Christians in the marketplace to find the resources to help them run and grow their fellowship groups and reach out to more pre-believers. This project is a showcase of how a collective of like-minded Christians from OFJ, Global Business Network, Digital Wesley, Indigitous, and the #Hack team comes together to co-create a new capability for the Kingdom community.

## 5. Youth Conference

165 youths and youth leaders attended the first ISCF (Inter School Christian Fellowship) Conference at Faith Methodist Church after 40 years “hiatus.” OFJ played a supportive role, and Jason shared an inspiring closing message which led many youths to commit themselves to be the “spark to get the fire going”.

*“I was greatly encouraged by the young people who shared with much passion, and there is certainly much hope for Singapore. May God continue to tend the flames of revival in our land!” – Peter Tan*

*“He has moved powerfully in the hearts of the students that came. Praise God for more inter-generational unity and a greater heart and love to see our schools, army camps and marketplaces won for Christ” – Joseph Wee*

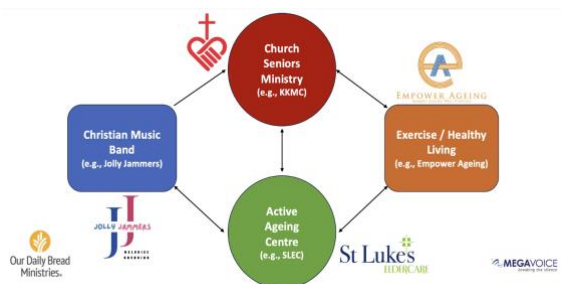

## 6. New Evangelism Training

OFJ completed two pilot runs of a new evangelism training called ChatGCT (Gospel Conversational Tools) to equip believers with the tips and tricks on how to break the ice with pre-believers and create a bridge to share the Gospel. We had 60 believers (Pastors, Leaders, Missionaries, Doctors, Lawyers, Street Evangelists, ordinary everyday Christians) who attended ChatGCT and learnt to use story-telling, media, ice-breaker games, etc to creatively share the Gospel.

## 7. Catalyzing Ecosystems for three segments

OFJ is actively forming the taskforces for marketplace segment, seniors segment and migrant domestic workers segment. For example, we are creating an ecosystem where churches and Active Aging Centres (AACs) collaborate to serve the elderly communities together.

## 8. OFJ Vision Casting - Awakening & Activating Christians in Churches for Evangelism

From 2022 to 2025, Jason has been invited to cast the vision of OFJ to 60 churches (average 15 churches per year), in addition to another 12 Christian groups, church/youth camps and conferences. Churches such as 3:16 Church, Yio Chu Kang Chapel and Fairfield Methodist Church have adopted the OFJ vision into their outreach and evangelism blueprints. Some of the churches that have invited Jason to share the vision are Church of Singapore Marine Parade, Elim Church, Covenant Presbyterian Church, GK611, Grace AG, Bethel AG, St James Church, Bartley Christian Church, Living Sanctuary Brethren Church, Singapore Christian Canaan Church, Kampong Kapor Methodist Church, Lighthouse Evangelism, Glad Tidings Church, Calvary AG, Calvary Baptist Church, Chapel of the Holy Spirit, etc. In 2025, Jason has shared the vision at 12 churches, 2 conferences, 2 church camps and 1 marketplace fellowship group. It is estimated that in 2025, approximately 8,000 to 10,000 Christians in Singapore have heard the call to reach at least one pre-believer for Jesus if given 10 years to do so.
